# EQUALS AMERICAN RECORD

PRINCE AHMED RUNS SIX FURLONGS IN 1:11 AT EMPIRE CITY TRACK.

His Feat the More Remarkable Because He Was Off Poorly-Besom Also Runs Fast Three-Quarters-Day One of Frequent Upsets.

New York, July 29.—The racing at Yonkers today was replete with sensational incidents. Prince Ahmed carried 117 pounds to an impressive victory in the six furlongs handicap in 1:11 after getting away poorly from the post and equaled the American record for the distance made by Chapultepec wi'-112 pounds up, at Santa Anita Park December 28 Jast. Prince Ahmed's performance also represented a new track record.

Besom subsequently captured the card's stake feature over the same course in 1:11½, which equaled the track record that Prince Ahmed had just broken. Probably these are the fastest two races ever run in this country on the same day we recover the same course in 1:11½, which equaled in this country on the same day. From the same day we have a substantial to the same day we have a substantial to the same day of the season. The only bets cashed on this race were on Rye for third at 8 to 5. E. Dugan rode a remarkable race on the former sowery idel. The latter came out of his race limping painfully. Scoville on Bad News, joint favorie with Orphan Lad, lodged a claim of foul against O. L. Richards' gelding, which the stewards disnissed as frivolous. Bradley's aged horse is a palyable sulker. Orphan Lad changed ownership before he race and ran in R. E. Watkins' name and colors.

Three astounding form reversals preceded the flasco at the close of the card. Annt Jule, Prince Ahmed and Madeline L. scored in the other races, in which the favorites fared badly, leaving only May River and Besom to reward favorite players. Rose Queen's defeat, in the sprinting race, by both Prince Ahmed and Colloquy, was totally unexpected. The Kingston filly was generally regarded as a sure winner and flattered her backers for a half-mile in the fastest pacemaking seen this season, the half being traversed in forty-six seconds. She carried her speed for another sixteenth under a pull and then suddenly collapsed, Colloquy and Prince Ahmed passing her so suddenly that few of the spectators realized the changed order of the running. H. G. Bedwell, the owner of Prince Ahmed, has contended right along that he could beat Rose Queen at her own game of sprinting. This was the western owner's fourteenth win during the meeting, a remarkable average of one race each day.

The Arrow Stakes, won by Besom, one of the most improved horses in training, had six contestants On the strength of his good second to Rose Queen last Saturday the Keene castoff was installed favorite, at 7 to 5, and he triumphed in such convincing fashion over Spooner, Pantouffe, Personal, Ida D. and Homecrest that William Walker, who, since losing Apache, is on a still hunt for good horses; an him up from \$1.000 to \$1.700. The horse did not change hands. Spooner's good second continued later on.

A race for lady riders is announced in the Racing Calendar, to be decided at Philadelphia shortly, which provides a ten-pound penalty for ladies who ride astride. Thoroughbreds must also carry ten pounds extra, and there are to be no sex allowances. Close observers averred that Rose Queen's defeat was due to troubles peculiar to her sex. This was quite apparent both before and during the running.

### SALVATOR TO BE EXHIBITED.

Lexington, Ky., July 29.—Salvator, now twenty-three years old, and the holder of the American record of 1:35½ for a mile, made over the straight course at Monmouth Park, August 28, 1896, against time, is to be exhibited for three-days at the Woodford County fair at Versailles, Ky., August 4, 5 and 6. Versailles is the birthplace of Mrs. James B. Haggin, and when Secretary Fleming Meek, of the Woodford County Association asked the consent of the sged owner of Elmendorf Farm to put Salvator-on parade each day of the fair, he readily gave his consent. Salvator will be sent over from Elmendorf to Versailles in a van next Tuesday night.

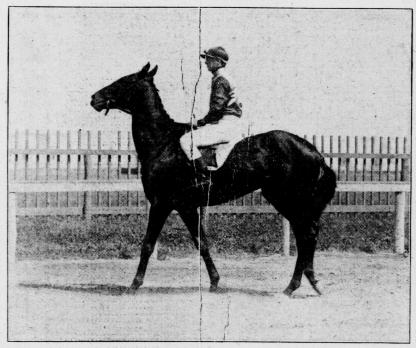

### POWERS MAY GO ABROAD.

New York, July 29.—Vincent Powers, conceded be the best jockey in America just now, may so be compelled to leave the saddle. He finds it difficult matter to get down to 110 pounds and growing rapidly. He may ride in England France next year, it is reported.

### FIELD STANDS TO REMAIN CLOSED.

New York, July 29.—It is stated on good authority that the field stands at all of the metropolitan tracks will remain closed for the rest of this year, if not permanently. There is no desire on the part of the turf governors to cheapen the sport by catering to an element that cannot afford to follow the horses.

### ONE OF OUR CRACK TWO-YEAR-OLDS AND UNBEATEN IN NEW YORK RACING

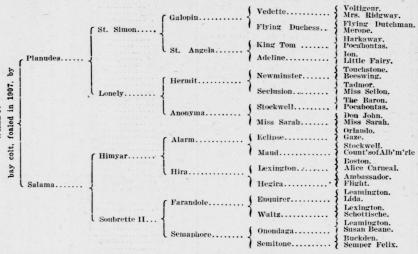

C. L. HARRISON'S B. C, 2, WALDO, BY PLANUDES-SALAMA.

For all that anyone knows now Waldo may go into winter quarters with the fame of being the best two-year-old of 1909. It would not have occurred to the patrons of the Oakland race trace, where he made his debut, to view him in that light. He first started in a purse race of a half mile at the basis of the trace, where he made his debut, to view him in that light. Novmarket, Angerona was third, and Anavri, Rocky O'Brien, Dullcare, Glopper and Shannon ran unplaced. Time, 59, June 2, at the same track, he won the Laureate Stakes, defeating Big Stick, Radium Star, Dullcare and Hilbernica at five furlongs in 1:01, cantering. Next he won the Manhanset Stakes, at Gravesend, June 12, and, giving away much weight, ran away from Dullcare, Angerona, Jacquelina, Charlie Hargrave and Outpost, at five and a half furlongs, in 1:072, and carrying 122 pounds. His last start the Tremont Stakes, at Gravesend, June 19, over the Tremont Stakes, at Gravesend, June 19, over the Tremont Stakes, at Gravesend, June 19, Dullcare, 115, was cassily by two lengths in 1:112. Starbottle and Brushbroom Glemadeane, 112, third; Starbottle and Brushbroom Glemadeane. Italy third; Starbottle and Brushbroom unplaced.

It was decided that Waldo now done enough to entitle him to a rest, and he has been saved for the Saratoga meeting, where he shades hotel stakes, Saratoga Special and United States Hotel Stakes, Ilis record to date is as follows:

## TROUBLE OVER BETTING TRANSACTIONS.

New York, July 29 .- Acting upon complaint of New York, July 29.—Acting upon complaint of Charles J. Koehler, manufacturer and horseman, the Jockey Club officials have instructed the Pinkertons to debar from the race courses under its jurisdiction Herman Rosenthal. Koehler claims that Rosenthal accepted from him one day last year a commission of \$2,000 to be placed upon the horse Besom at Sheepshead Bay. The horse won at 2½ to 1, but Rosenthal did not turn over the winnings to Mr. Koehler, and the matter came into the Supreme Court, was tried, and Rosenthal lost the case, it being held by Judge Platzek that it was a legal thing to accept a commission. Rosenthal's defense had been that it is was a gambling transaction.

defense had been that it is was a gambling transaction.

Koehler has never been able to collect the money.

Rosenthal claims that he is unable to pay. He has been in the old-time betting enclosure at various tracks this year, but has been under the especial espionage of the Pinkertons.

Well-known politicians interested themselves in Rosenthal's case, but when shown the correspondence in the case, these men have withdrawn their support, and Rosenthal will not again be able to enter the tracks. He was tendered \$25, which he had paid for a member's badge for the Empire City meeting, but refused to receive it.

It was an American triumph all around, horse, owner, trainer and rider being from this country. A. J. Joyner is training the filly.

## STAKE RACING AT SARATOGA.

#### Many Important Events to Be Disposed of in Its Four Weeks of Racing.

Many Important Events to Be Disposed of in Its
Four Weeks of Racing.

The Saratoga meeting of 1909 begins next Monday and will come to an end Saturday, Angust 28. In its course twenty-seven stake races will be run, the majority of which will be of the reduced values incident to racing at the present time, but several of which, having closed for entries before the passage of the Hart-Agnew bills, are of the higher figures of former years. Two of these, the Spinaway Stakes for two-year-old fillies, and the Alabama Stakes for two-year-old fillies, and the Alabama Stakes for of the meeting.

Precedent and public opinion will assign the majority of these events to the Hildreth and Keene stables. But new factors always come into play at Saratoga and the Sanford horses, and Olambala, Wintergreen, High Private, Pinte, Angelus and Orbicular are among those that may prove capable of surprising checks to the progress of the two leading where the best of the cast, est another continuous and the cast, and the continuous of supposed invincibles are not infrequent there.

Eight stakes are assigned to the first week of racing at Saratoga, the Flash Stakes and Saratoga Handicap will be trun Monday, the Spinaway Stakes Thursday, and Saturday will have an extra Special and the Delaware Handicap. In these practically the best form of the meeting is represented and by the conclusion of the week most of the stars will probably have been seen in public. The Saratoga Handicap, at a mile and a quarter, will be the most important race of the week and, at the weights, the most probable starters are King James, 129 pounds; Restigouche, 117; Maltbie, 117; Paltbie, 101; Affliction, 89; Lady Bedford, 88, and Petticoat, 80.

The stakes apportioned to the second week are: Tuesday, the Travers Stakes; Wednesday, the Travers Stakes; Wednesday, the Travers Stakes; Wednesday, the Travers Stakes in the way of public form bullcare, Starbottle, Ocean Bound, Sweep, Rocky O'Brien, Newmarket, Shannon, Perry Johnson, Follie Levy, Interpose and Barleythor

P. P. M., Chicago. Prices against Marchmone were correct: Opening, 4 to 5; closing, 9 to 10. A. C., Chicago. No. The horses had gone to the post and, being in charge of the starter, bets stood. A Constant Reader, Buffalo, N. Y. Niagara was a chestnut in color and was by Luke Blackburn--lvy Leaf.

W. F. A., St. Louis, Mo. The bookmaker was correct. If Personal had been scratched the bet would have been a draw no matter where Arondack

finished.

Joseph S., St. Louis, Mo. A bet on the Montpeller Stable entry in the fourth race of July 28.

At Empire City was a draw for the reason that no place price was laid against the entry.

A. H. S., Helena, Mont. Rusk is a son of Russell and the imported mare Nuska. He was a fast race horse and the winner of twenty-two races, besides being many times second and third.

B. A. Krieg, Kansas City, Mo. Ten of twenty-one won, four were scratched. The winners were: Red River, Centre Shot, Hyperion II., Grania, John Caroll. Apache, Giles, Zipango, Crystal Maid and Marchmonet.

J. K., Cincinnati, O. Two.

J. K., Cheinnati, O. The inquiry was in regard to one and the same horse, not two horses, being in two races of a day's program. In such a case from the backs the horse without maintime horse starts, withing or losing depends on the horse's running. There is no draw involved unless it is scratched from both races.

Racing and breeding the thoroughbred is not widely diffused through Argentina and is mainly confined to Buenos Ayres and its vicinity, but there both lines are in a remarkable state of development, concerning which an English traveler, with an Englishman's love of the thoroughbred, wrote recently to an English turf newspaper: "I spent a week in the Argentine—one of the finest countries on the face of the state of the finest countries on the face of the state of the finest countries on the face of the state of the finest countries on the face of the state of the finest countries on the face of the state of the finest countries on the face of the state of the finest countries on the face of the state of the finest countries on the face of the state of the finest countries on the face of the state of the finest countries on the face of the state of the finest countries on the face of the state of the coast and on the Great Southern Railway. Andy Welch, of Hartford, Conn., has bought the interest of his partner, Orlando A. Jones, of New York, in the Readville, Mass., trotting track and is now the sole owner.

### NAMES GIVEN ENGLISH TWO-YEAR-OLDS.

Admiral Hawke, the newly named Admiration colt, was not brought out to oppose Lemberg for the Chesterfield Stakes at Newmarket, and in the absence of Pretty Polly's brother, odds of 2 to 1 had to be conceded about the Manton representative, which won in a canter. Besides naming the Admiration colt, the Gallymawfry filly, 2, by Nabot has been named Miss Golliwog, and the Ore filly, 2, by Amphion, Amore.

### FRANK GILL'S DAM VISITS HIS SIRE AGAIN

The imported Sir Hugo mare, Ravello II., which gained distinction as the dam of Frank Gill, has been sent to England to be mated again with Collar, in the hope she may produce another as good as Frank Gill was. She was one of the broodmares belonging to the estate of the late Samuel S. Brown, and, when sold at auction last November, was bought by H. B. Duryea for \$1,600. It was the latter who sent her over to England in an interesting experiment.

### PRESENTATION TO R. F. LEIGHTON.

Victoria, B. C., July 29.—The presentation of a magnificent silver service to Robert Leighton, manager of the Victoria Country Club's summer meeting, by horsemen, officials of the track and racegoers, as a testimonial of the general esteem in which the recipient is locally held, was a pleasing feature in connection with racing here a day or two ago. W. J. Taylor, K. C., the city barrister, in making the presentation speech, declared that Mr. Leighton is the most popular racing official in British Columbia and that the people here want him to remain and continue his efforts in placing racing on a firm basis.
